

MARYMOUNT
CALIFORNIA UNIVERSITY

Custodian of Academic Records

Marymount California University (MCU) has authorized Hope International University, Fullerton, California (HIU) to serve as the official custodian of its academic records after MCU's permanent closure.

Hope International University (HIU) is regionally accredited by WASC Senior College and University Commission (WSCUC). HIU assumes responsibility for maintaining MCU's transcripts in perpetuity or assigning the custodian role in a manner consistent with management of its own transcripts. MCU's transcripts and student academic records will be maintained and secured according to HIU's protocols. The Registrar at HIU is authorized to use MCU's seal and to sign transcripts to make them official. Transcript fees will be determined by and payable to HIU. Any questions and/or concerns should be directed to the Office of the Registrar at registrarsoffice@hiu.com.

Marymount California University (MCU) ceased operating as a university in August 2022 due to financial challenges. MCU was accredited by WSCUC until it voluntarily relinquished accreditation at time of closure. MCU upheld appropriate academic standards and there should be no hesitation from other colleges and universities to accept credits and degrees earned at MCU or under its prior names since incorporation (Marymount College Palos Verdes).

Sincerely,
