The Marymount California University BS in Marketing combines curriculum from business, psychology and media to prepare students for careers in marketing. Core courses include business communication, social media, data analysis, marketing analytics, strategic analysis, and business ethics. Students also choose from a range of electives such as multicultural psychology, web design, video production, and sales. Real world projects are integrated into the program.

BS in MARKETING Program Learning Outcomes

PLO 1	Deliver convincing written, verbal, and digital presentations.
PLO 2	Use quantitative data to interpret, analyze and plan business situations.
PLO 3	Reflect on ethical dimensions of a business, marketing or communication initiative.
PLO 4	Reflect on the perspectives of multiple audiences as they relate to a marketing initiative.
PLO 5	Develop and present a research- and data-based marketing, strategic communication or sales plan.
