Any area of emphasis defined in the Multidisciplinary Studies BA program may be added to another Bachelor's degree as a minor. The minor may not be the same discipline as the degree. A minor added to the Multidisciplinary Studies BA requires completion of a third emphasis, since the Multidisciplinary Studies BA itself requires two emphases. Courses may not be applied to more than one area of emphasis.

Limitations are in place when more than 1 course is required/taken in both the major and minor. Examples are:

- Accounting BS and Business minor**
- Biology BA/BS and Biology or Chemistry minor**
- Business BA and Business minor**
- Criminal Justice BA and Criminal Justice minor**
- Digital Communication Media BS and Digital Communication minor**
- Management BS and Business minor**
- Psychology BA and Psychology minor**
