Hello Villas Residents,

I hope you are having a great break. This message is to provide you with an update about meal plans for the spring 2021 semester. We have come to the decision as an institution to suspend dining for the spring semester.

This means that we will not be offering on-campus dining, and Outtakes will be closed for the semester.

You will receive a meal plan credit on your account with Student Financial Services for the entire cost of the board plan shortly after the charge has been placed on your account. *This change will not affect the financial aid that you were scheduled to receive.*

We are currently working with several grocery stores to offer food delivery options for groceries. More information will be coming soon.

If you have any questions or concerns, please reach out to us.
