Degree Objective: ___ Associate's ___ Bachelor's ___ Master's

Expected Date of Graduation: _____

Student Responsibilities:

- You must register in courses that are required for the educational objectives you have selected. The Department of Veterans Affairs only pay benefits for those courses, which are part of an approved degree program and have not been previously and successfully completed. Please refer to your degree progress report and/or contact MCU Academic Advising Center or your major advisor to be certain the classes you are taking will apply towards your degree.
- You must submit a copy of your General Education worksheet and degree program plan to the MCU's School Certifying Official in order to be certified for educational benefits.
- If you wish to change your major, you must notify the MCU's School Certifying Official in writing within 10 days of submitting a Change of Major form to the Registrar.
- You have 10 days to report adds and/or drops to the MCU's School Certifying Official. Changes in the enrollment after the last day to drop and add courses may result in the retroactive loss of benefits unless the VA finds mitigating circumstances involved in the change. Loss of benefits could revert back to the first day of class.
- You must report grades of "W" (withdrawal) and/or "W/U" (unauthorized withdrawal) to the MCU's School Certifying Official within 10 days. Your VA payment is based on "pursuit" of your program so you must be enrolled and successfully complete your courses to be eligible for VA benefits. All grades of W and W/U will be reported to the VA and may result in retroactive loss of benefits.
- If any changes are made to your percentage of eligibility, you are responsible to turn in an updated Certificate of Eligibility form.
- You will be liable for any overpayment you might receive from the Department of Veterans Affairs and/or overpayments made to the University on your behalf. All overpayments must be repaid directly to the USDVA. Interest and administrative fees may be assessed and added to the original amount of the debt.
- You are responsible for any balance not paid by the VA.
- If you have been discharged from active duty, please submit a copy of your DD214 to the MCU's School Certifying Official.

I have read and fully understand the information given to me in this contract. I understand that failure to follow this information could result in a cancellation of my benefits. If I have any questions, I will contact the MCU's School Certifying Official for clarification.
