

For students transferring from Marymount California University, CBU will offer the following during the transfer process for the Fall 22' school year:

- Free application with code LanceupTN
- We will work with each student individually to maximize transfer credits up to 100 units with expedited evaluation service upon acceptance
- Students will receive a minimum of 5,000 in institutional aid from CBU

At the Marymount Transfer fair CBU will also have a member of our Registrar's Office present to evaluate transcripts and give a brief evaluation of units ahead of time.
