Undergraduate Transfer Program

Northwest University offers two distinct programs for Marymount California University students to flexibly complete their degree – Traditional Undergraduate and NU Online. Eligibility for this transfer arrangement requires enrollment at NU for the Fall '22 or Spring '23 semester. After enrolling, students must maintain continuous enrollment through degree completion to retain the program benefits.

Academic Eligibility:

Students who meet admission standards through the abbreviated application and a 2.0 GPA will be automatically admitted. All eligible credits of a D- or higher are generously transferred.

Transcripts:

Marymount California University will provide the transcript for students applying to NU. NU will accept a copy of transcripts from previous schools submitted to Marymount.

Undergraduate Programs:

2. NU Online

*Students in the traditional undergraduate program share a common Christian faith commitment and agree to adhere to the lifestyle standards of Northwest University. A faith commitment is not required of individuals in the NU Online program.

Transfer Credits:

- NU will accept all eligible credits with a grade of D- or higher.
- NU will create an individualized transfer plan for each interested student to determine the

- Students majoring in programs which NU does not offer may change their major or pursue Interdisciplinary Studies.
